

**SUPPORTING BROCKPORT'S COMMUNITY FOREST
VILLAGE OF BROCKPORT TREE BOARD**

Donating a tree or funds toward the purchase of one helps support the public trees that give us graceful summer shade and provide so many environmental benefits throughout the year. With over 700 vacant tree spaces in our village and a modest budget for replacement, we depend upon grants and donations to keep our community forest growing. Since 2006 the Tree Board has overseen the planting of 60+ trees in the village.

A tree is a gift for now and the future. Consider donating a tree as an individual charitable gift or as a gift from your business, organization or social club. Give a tree as a school class gift; place a tree on the street where you grew up. Donate a tree in memory of a loved one. These are a few of the many good reasons for donating a tree.

Tree Fund Donations are administered through the Greater Brockport Development Corporation (GBDC), a 501(c)(3) charitable organization and are tax deductible. Donations can be made in person or by mail to: GBDC, c/o Village Hall, 49 State Street, Brockport, NY 14420.

Checks should be made payable to: "GBDC-Tree Donation Fund."

Please read through the donation options below and decide which one best suits you. Include the completed form, below, with your donation.

Thank you for making a donation in support of our
community forest!

The cost of purchasing and planting a tree ranges from \$200-\$250. All tree species and suggested planting sites must be reviewed and approved by the Village of Brockport Tree Board prior to planting. Tree diameter ranges from 2"-2½" caliper; selection of tree species is guided by our existing inventory of trees and the presence/absence of utility lines at the designated site. The donor will be contacted by the board prior to the review process. All tree orders are timed for the Village's two annual plantings, late fall and early spring.
